

TRANSCRIPT: Early communication: Katie – anticipation

Jo Payne

This morning we were doing some work on building up anticipation within social routines.

We did the sensory poems and today she chose 'Round the Garden' first and she often laughs just before the tickle, which tells us that she's aware of what's going to happen.

We did another anticipation one and Katie will eventually end up anticipating when the water spray's gonna come and the balloon's gonna pop.
