What Lia likes

Lia likes music. She loves singing. She loves lots of vibrations. She likes acoustic guitars to hold on to. She likes being outside. She likes all different types of weather. She likes travelling around in bumpy cars. She likes a dark room with lots of lights. Her most favourite thing is being cuddled. That's her most favourite thing, which she looks forward to at night, is a long cuddle with mum or dad.

I like her to look her best at all times. She's sat in a wheelchair and gets looked at a lot and I feel she needs to look her best and her hair needs to look good. She's got very long hair, so we have all different types of hairstyles. Also, she gets very sore, cracked lips so she often wears lots of lip balms. She has quite nice perfume sprayed. We just like her to look her best in and out of school really.

She loves pampering. Loves having her hair done. School are also very good. Jenna, one of her assistants, is really good at giving her massages and pampering, and... yeah, she loves it!

Lia loves school. In the summer holidays or at half-term, she doesn't sleep as well because she's totally out of her routine and she always loves coming back to school.
